Pan's first comic book adventure! Fighting monsters is strenuous work, but Pan tries to get her often chaotic life back in order by attending one of her boyfriend Javier's family picnics. Which would be fine, if one of his ex-girlfriends didn't show up to complicate matters. Stupid mythological siren...

Featuring art by **Eliseu Gouveia** (*Lorelei: Sects and the City*, *Carmilla*, *A Princess of Mars*), this special includes:

- "After Hours," a short tale by writer **Sholly Fisch** (*Action Comics*; *Batman: The New Brave and the Bold*, *Super Friends*) and comics-art legend **Ernie Colón** (*Amethyst*, *Princess of Gemworld*; *The 9/11 Report: A Graphic Adaptation*).
- "Shopping Maul," a Pan short story by Steven A. Roman, about (blood) red-tag sales and Elegant Gothic Lolita vampires.
