FOR IMMEDIATE RELEASE

STARWARP CONCEPTS PUBLISHES WORLD-BUILDING REFERENCE GUIDE "TERRA INCOGNITO"

It's said that the journey of a thousand miles begins with a single step. But the journey of imagination begins with a single idea—one that can shape entire worlds, if you so choose. And no one knows that better than **Richard C. White**, bestselling fantasy and science fiction author of such titles as *Gauntlet: Dark Legacy: Paths of Evil* and *Star Trek: SCE: Echoes of Coventry*, who brings his expertise for world building to *Terra Incognito: A Guide to Building the Worlds of Your Imagination*, StarWarp Concepts' first reference work for writers interested in crafting their own storytelling environments.

In *Terra Incognito*, White outlines the detailed steps by which writers can create the sort of countries, populations, governments, and militaries that are essential for building a three-dimensional fantasy world aimed at engaging readers. Additionally, this guidebook includes an exclusive interview with **Tracy Hickman**, acclaimed game designer and world builder, and *New York Times* bestselling author of the *Dragonlance*, *Annals of Drakis*, and *Dragonships of Vindras* series of novels. Cover art for *Terra Incognito* is provided by fantasy painter **Shane Braithwaite**.

Packaged by NightWolf Graphics, published by StarWarp Concepts, and distributed in print by Ingram Content Group, **TERRA INCOGNITO: A GUIDE TO BUILDING THE WORLDS OF YOUR IMAGINATION** (ISBN: 978-0-9884429-7-9) goes on sale **October 6, 2015**, and can be ordered from brick-and-mortar bookstores and online retail sites, as well as from the StarWarp Concepts website. E-book editions will be available for download from Amazon.com, Barnes & Noble, the iBookstore, and other online retailers.

“Richard C. White certainly knows his subject, having spent fifteen years in military intelligence as a cryptanalyst and linguist, and with *Echoes of Coventry*—his first foray into the Starfleet Corps of Engineers—he establishes that he knows how to write as well.”

—**Trek Today**, on *Star Trek: SCE: Echoes of Coventry*
