It's said that the journey of a thousand miles begins with a single step. But the journey of imagination begins with a single idea—one that can shape entire worlds, if you so choose. And no one knows that better than bestselling fantasy author Richard C. White, who brings his expertise for world building to this reference guide for writers interested in crafting their own storytelling environments.

In *Terra Incognito*, White outlines the detailed steps by

which writers can create three-dimensional worlds that will engage readers. With the inspiration provided by *Terra Incognito: A Guide to Building the Worlds of Your Imagination*, you'll soon be on your way to constructing the framework for your own fantasy or science fictional realms—and taking readers along for the journey!
