Leaky faucet? Call a plumber. For *real* problems, call Troubleshooters, Incorporated, the world's first supernatural superhero team-for-hire. For the right price, Silver Oak (a wizard), Night Stalker (a werewolf), Yolanda (a sorceress), Shadowmist (a female ninja), and Lightshow (a hi-tech-armored roadie) are ready to take your case.

Edward Vanderland II is exactly the kind of client TSI is looking for as their first assignment: a millionaire threatened by evil spirits, he's offering \$50,000 for protection. Sounds like a simple enough job for a band of fledgling heroes. Maybe too simple.
