“TROUBLESHOOTERS, INCORPORATED” MAKES GRAPHIC NOVEL DEBUT

Supernatural Superhero-Team-for-Hire Takes On Its First Case

Leaky faucet? Call a plumber. For *real* problems, call Troubleshooters, Incorporated, the world’s first supernatural superhero-team-for-hire. For the right price, Silver Oak (a wizard), Night Stalker (a werewolf), Yolanda (a sorceress), Shadowmist (a female ninja), and Lightshow (a hi-tech-armored roadie) are ready to take your case. And you can meet the team right now in their graphic novel debut, courtesy of independent publishing house StarWarp Concepts.

TROUBLESHOOTERS, INCORPORATED: NIGHT STALKINGS (ISBN: 978-0-9884429-2-4) is written by the husband-and-wife team of bestselling author **Richard C. White** (*Gauntlet: Dark Legacy: Paths of Evil; Star Trek S.C.E.: Echoes of Coventry*) and **Joni M. White**, with pencil art by **Reggie Golden** and inks by **Bill Lavin** and **Randy Zimmerman**. The Troubleshooters’ first adventure involves protecting a millionaire from a trio of evil spirits—but as it turns out, the spirits are the least of the group’s problems when a full-fledged demon arrives to complicate matters.

Troubleshooters, Incorporated: Night Stalkings—which also features cover art by indie creator **Richard Dominguez** (*El Gato Negro*), and pinups by **Steve Lieber** (*Hawkeye*), **Jeff Parker** (*The Interman*), and **Gary Thomas Washington** (*Speed Racer*)—is available for order through online and brick-and-mortar bookstores and comic shops. Its e-book edition is available for download through digital comic distributor DriveThru Comics, as well as from the StarWarp Concepts webstore.

About the Creative Team:

Richard C. White is the bestselling author of the novels *Gauntlet: Dark Legacy: Paths of Evil* and *Star Trek S.C.E.: Echoes of Coventry*; the e-book fantasy series *For a Few Gold Pieces More*; and the digital comic *The Chronicles of the Sea Dragon Special*. His short fiction has appeared in the anthologies *The Ultimate Hulk* and *Doctor Who: Short Trips: The Quality of Leadership*.

Joni M. White is a co-creator of *Troubleshooters, Incorporated* and an accomplished amateur author in her own right, but these days she spends most of her time as a computer scientist by day and a jewelry maker by night.

Reggie Golden's debut as a comic book penciler came with the publication of *Troubleshooters, Incorporated* #1 in 1995. Prior to that, his inking work appeared in Forbidden Fruit's limited series *Metallica* (not to be confused with the heavy metal band).

Randy Zimmerman is the editor and co-creator of *Flint [Michigan] Comix & Entertainment*, a free-to-readers comic newspaper. Before that he created the independent comic *Tales From the Aniverse*, and was a writer and artist for such titles as Arrow Comics' *The Dead* and Caliber Comics' *The War of the Worlds*.
