Vampires. Werewolves. Shapeshifters. Mer-folk. Sometimes a private eye can't be choosy about his clients...

Theron Chase walks the mean streets of Calasia with a sap in one hand and a .45 in the other. Ogres, werewolves, crime bosses, mages—as long as your money's good and no one's looking to turn him into a dead man (walking or otherwise), odds are he'll be able to solve your problem.

In this collection you'll find four of Chase's bizarre cases. From a sexy chanteuse who literally turns into a beast when the moon is full to a string of pearls that kills its owners, and from the ghost of a dead woman seeking justice to the Grim Reaper's little girl seeking her stolen chicken, Theron Chase certainly has his hands full—of danger, death, and dames!
